

FRIES RANGE

VIZU MEGA FRIES TOPPER

- To fit on top of the Adande Under-counter Freezer (VCR).
- Chips may be taken from cold storage below, fried and then transferred to the preparation area of the Mega Fries Topper, where they are salted and bagged.
- 4 powerful jacketed halogen lamps and under pan heating to ensure that the chips are kept in optimum condition whilst they are stored, bagged and ready for delivery.
- Storage for packaging and a salt shaker below.
- Heated above and below chip dump.
- Suitable for left or right work flow direction.
- Chip scoop mount included.
- Chip flip rack area for easy removal of stray chips.
- Fully welded easy clean chip bagging area.
- Chip dump includes a grid to allow excess grease to escape of chips.
